**AUDIENCE REACTIONS:** We had a pretty vocal audience this evening. The normal points of reaction were hit. They seemed especially vocal during bows to the orchestra which was lovely to see!

**PERFORMANCE SUMMARY:** We had a strong performance this evening closing with the Count Cast!

**TALKBACK SUMMARY:** The main topics of the talkback were supertitles, concept, flashlights, orchestra rehearsal time, and dealing with violence. We had 5 cast members stay for it and a number of our production staff came for it as well!
